THIS ISSUE'S FEATURED ARTICLES:

INVOLVEMENT & GROWTH

GROWTH OF KAPPA LAMBDA

*New Candidates and
Campus involvement*

IMPORTANT DATES :

***KORHOLE FOR KIDS
NOVEMBER 7TH, 2021***

This year, Kappa Lambda has really focused on recruitment as one of our key goals to improve upon. With great efforts by our brothers we have been able to recruit 6 great new candidates to our chapter so far. With these new candidates, we have taken a large step in sustaining our growth as our brotherhood continues to extend with every new brother initiated. We still continue to hold recruitment events to further attract new future brothers to continue the legacy of our brotherhood.

As a chapter we also have been focusing our growth within our community. Brothers have been trying to be highly involved in many other Greek organizations's philanthropy and fundraising events to further spread our influence as a chapter. Brothers have been participating in a variety of events such as DG's doughnut drive, FIJI puppy philanthropy, Alpha Phi Nachos & Phi's, and we recently took second place in Greek Week with THE women of AGD and the men of Phi Tau and Phi Psi. Overall we have been focusing on both inward and outward growth to further our future as a chapter and continue to build on our success and failures to become a better fraternity and better men.

LOVE | HONOR | TRUTH

Sigma Nu Presents....

Kornhole For The Kids

November 7th, 2021 from 1-4pm

Come join us for our annual Kornhole For The Kids! Kornhole for the Kids is Sigma Nu's annual cornhole tournament held in the University of Akron's Student Union.

All proceeds will be donated to St. Jude's Hospital. Teams of 2 compete in a double elimination tournament. **It is \$20 for a team of students and \$30 for a team of non-students.**

Participants in the tournament get 10 raffle tickets per team and food provided! There is also a raffle, t-shirts, and other fun!
